No Despair

This Autumn, Jo Fong and Deborah Light embark on an R and D study of a new work entitled No Despair.

The project involves over 30 artists, designers, consultants and supporters.

Free events. Come and see our work in progress sharings.

Begins at YMa, Pontypridd Sunday 1st November, 3pm

Dance House, Cardiff Bay Saturday 14th November, 3pm

Our funds to support the project have been awarded from Arts Council Wales and we begin in the studio with support from Dance House, Ardour Academy and Hopkinstown Hall. Special thanks to Jones the Dance and ICoDaCo for supporting the initiation of the project.

Neither Here Nor There

“Neither Here Nor There is unexpected in all the right ways; it is brilliant and loving, it is nourishment for the soul, it is the absolute best of what humanity is.” – Nathan Zou

Created and performed by Jo Fong and Sonia Hughes

Sonia and Jo host a series of conversations that happen over 6 minutes.

Weather permitting there will be a walk, natter, chat, table, chairs, come in sit down.

There will be solos, duets and ensemble moments.

Complexity takes time, it requires multiple voices, many levels of expertise and patience in the unspectacular.

This project has been inspired by the research of Frank Bock and Katye Coe.

Neither Here Nor There began at Experimentica, Chapter Arts Centre.
